### YEAR OF FAITH Q & A:

#### HOW ARE YEAR OF FAITH AND NEW EVANGELIZATION LINKED?

The New Evangelization is a call to each Catholic to deepen his or her own faith, have confidence in the Gospel, and possess a willingness to share the Gospel. The New Evangelisation is first and foremost a personal encounter with Jesus Christ; it is an invitation to deepen one's relationship with Christ. It is also a call to each person to share his or her faith with others. The Year of Faith, just like New Evangelization, calls Catholics to conversion in order to deepen their relationship with Christ and to share it with others.
