### WERE YOU ABUSED WHEN YOU WERE IN AN INSTITUTION? TALK TO US - WE

**WILL LISTEN** - The Historic Institutional Abuse Inquiry is an independent Inquiry set up to investigate abuse of children in residential institutions (but not schools) in Northern Ireland between 1922 and 1995. Abuse could be sexual or physical abuse, or emotional abuse or neglect. The Inquiry has an Acknowledgment Forum where you can come and tell experienced professionals in private, and in confidence, about abuse you experienced. Another part of the inquiry will investigate abuse, and then make recommendations to the N. I. government. You can choose to talk to both parts, or to either part, of the Inquiry. If you were abused in an institution, or saw others being abused, the Inquiry wants to talk to you. It hopes that as many people as possible who experienced abuse in institutions, or witnessed others being abused, will come forward to help the Inquiry investigate the way these children were treated, and what should be done about it. If you know someone who was abused encourage them to contact us. If you want to contact us you can get more information on our website [www.hiainquiry.org](http://www.hiainquiry.org). If you live in the UK you can write to us at FREEPOST HIA Inquiry, or ring us at our FREEPHONE number 0800 068 4935.
