TAKING CARE OF OUR GRAVEYARD.

The care taken of our Graveyard is excellent. Family members take great pains to maintain their graves to a very high standard.

To ease the work of our volunteers, who do general maintenance, you are asked not to place waste materials and stones around the boundaries of the cemetery. We are not permitted to put soil or stones in soil in our bins, so we ask you to take these to your own bins at home.

You are requested too to take care of other people's graves and not to remove any items from graves other than your own. Recently some items of value have been removed from graves and naturally relatives are upset. Thank you again for the high standards of care taken in our Graveyard.
