THE IRISH EPISCOPAL CONFERENCE

Pope Francis has chosen Ireland to host the 9th World Meeting of Families during 2018. It is expected to attract thousand of Catholic families from around the globe to Ireland. It is hoped that this very special pastoral initiative will present all of us in the Church with the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith.

Hosting a global event of this size requires a huge amount of planning and financial outlay on behalf of the host country. To support this event we intend to hold three national church collections, the first will be taken up **this weekend 25th / 26th June.** The remaining will take place in 2017 & 2018.

TROCAIRE: MALAWI

Malawi is currently experiencing its worst drought in decades. This crisis is rapidly becoming urgent, by donating now; you can act quickly to make sure that people do not go hungry. Families, who are reliant on growing their own food, often have nowhere to turn to when their crops fail. Everyone around them, neighbours and relations are barely able to feed their own families. Life quickly becomes a frightening hand to mouth existence.

Your support will mean we can provide water and food to families facing into the long hungry months ahead. To see a short video of Trocaire visiting a community in Malawi go to www.trocaire.org/food-crisis.

Please help to fight the food crisis in east and southern Africa now by making a donation. Remember, as you have previously signed up to Gift Aid all your donations to Trócaire, we can claim an additional 25p for each £1 you donate at no further cost to you.

S.M.A. OPEN DAY, DROMANTINE
