TROCAIRE: MALAWI

Malawi is currently experiencing its worst drought in decades. This crisis is rapidly becoming urgent, by donating now; you can act quickly to make sure that people do not go hungry. Families, who are reliant on growing their own food, often have nowhere to turn to when their crops fail. Everyone around them, neighbours and relations are barely able to feed their own families. Life quickly becomes a frightening hand to mouth existence.

Your support will mean we can provide water and food to families facing into the long hungry months ahead. To see a short video of Trocaire visiting a community in Malawi go to www.trocaire.org/food-crisis.

Please help to fight the food crisis in east and southern Africa now by making a donation. Remember, as you have previously signed up to Gift Aid all your donations to Trócaire, we can claim an additional 25p for each £1 you donate at no further cost to you.
