DO THIS IN MEMORY PROGRAMME. LEARNING ABOUT THE MASS WITH KATH AND QUMEN.

The liturgy of the Eucharist – We bring our gifts. During this part of the Mass we move from the ambo to the altar. We have heard the Word of God and now we come to share in the Bread of Life at the altar. The first part of the Liturgy of the Eucharist is about preparing the gifts that we bring to the altar. The most important gifts that we bring are the bread and wine. The bread is placed on something which looks like a plate. We call this a paten. The wine is in a glass jug. These gifts are placed on the altar. One of the first gifts that you will notice being prepared is the gift of money. You will see people moving through the church with a basket or a bag for the collection. Everyone is asked to put some money into the basket or bag. This money helps to pay for all the things that are done in the parish, including helping those who may not have enough for themselves.
