DIOCESAN LOURDES PILGRIMAGE 2020

After consultation with the tour operator, and having reviewed the present situation in Lourdes and the continuing closure of the Sanctuary, the Diocesan Pilgrimage administration team has decided that the Derry Pilgrimage scheduled to travel at the start of July will not take place. Please God, it can be rescheduled for summer 2021. Any deposits or payments made already will either be refunded or may be used as deposits in whole or part for 2021 in accordance with the wishes of the individual pilgrims. This may take some time as the pilgrimage office is

currently closed in accordance with Diocesan directives. All youth deposits will be refunded, as rescheduling does not appear to be an option for the youth scheduled to travel at the moment. We very much regret the necessity of this very unusual step but believe we have reached a stage where no other course of action is possible.

PARISH WEB CAM

Our parish web Cam provider had to change to a new web site. The new address is:

watchmcnmedia.tv

The changeover is on-going and because of this we are not able to record any services for another few weeks.

FUNERALS

All wakes should be private and the funeral ceremony in the church and Interment will be for immediate family. The priests will not visit the wake house. However we will visit McLaughlin's funeral home when the remains is leaving for the house and celebrate a short service there. **Seamus McLaughlin, Funeral directors.**
